**Subject:** RE: 30 day notification EPA

Rafael,

Do to some unforeseen situations, we were unable to carry out the certification test on the dates previously stated in the original 30 day notice.

Thus, while trying to reschedule with Intertek, The current COVID-19 situation has halted any scheduling at this time.

As soon as new certification testing dates are determined HY-C will send an updated 30 day notice.

Sincerely,

Danny Haynes

**Subject:** 30 day notification EPA

Rafael,

Attached you will find the 30 day notification form Pursuant to 40 CFR PART 60 SUBPARTS AAA and QQQQ.

This notification is for models SF3120, SF4220, FC1720,FC1920,X1720,X1920,L3120 and L4220, While sample being tested will be the FC1720, all other models being the same with different colors and branding.

HY-C has contracted with Intertek Middleton WI. for test dates starting January 27<sup>th</sup> 2020.

HY-C will be seeking certification for NSPS 2020 compliance for Forced Air Furnaces.

Sincerely,

Danny Haynes
